THANK YOU

We would like to thank everyone who granted the necessary permits quickly and without red tape, in particular the LAWA (Canton of Lucerne Agricultural Office), the Willbrig Hunting Society for enabling the organization of the relay race, and all the organizations involved in the regional and national orienteering events in the Sörenberg/Rossweid area.

VENUE

The sprint and long-distance races will take place in the Entlebuch Biosphere Reserve. This is part of the UNESCO network of biosphere reserves and is therefore a particularly beautiful landscape worthy of protection. We are even more delighted to be able to host an orienteering event in this special area.

TRAVEL

There will not be any official transport to the accommodation nor to the competitions, all sites are reachable by car. For the competitions the parking will be

- on Friday 2nd October 2026 on the parking, “Festhalle Willisau” (<https://maps.app.goo.gl/jvD1uZA8L5d9RA3j6>)

- on Saturday 3rd October and Sunday 4th October 2026 in Sörenberg, Rothornstrasse (<https://maps.app.goo.gl/hpEHkzw6Exn1BW4H8>)

ACCOMMODATION

Detailed information about the accommodation was sent out with the invoice. We will settle the costs as set out in the description directly. Any extras like additional food or beverages are not included and need to be paid directly. Please do get in touch with Karin if you have any questions or if anything is unclear.

PAYMENT OF ENTRY FEES

We expect the invoices issued for accommodation and entry fees to be paid in full by 30 September 2026.

PROGRAMME OF COMPETITION

Relay	Friday 2 nd October	Willisau, Willbrig
Sprint	Saturday 3 rd October	Sörenberg Village
Long Distance	Sunday 4 th October	Sörenberg Rossweid

There are spectator competitions

- on Saturday (Sprint) following the JEC competition
- on Sunday (Long Distance) in parallel to the JEC competition

For accompanying staff, it is possible to participate at any of these races: Registration for competition categories online: www.ol-events.ch with deadline by Monday, 21st September 2026 at 23:59h. It will be also possible to enter the races on short notice in one of the open categories.

TRAINING

Information about the training courses on offer was sent out in advance. However, this information can also be found on the website. [JEC 2026 | Sörenberger OL Weekend](#)

On Saturday the accommodation must be left by 10 am.

Open roads and passages in the embargoed area may be used, but only for transport or passing through (by car, by public transport, by bike, by foot, etc). It is not allowed to survey the terrain with maps and/or video pictures.

Relay

Sprint and Long Distance

COMPETITION INFORMATION

Electronic Punching System

Contactless SPORTident Air+ punching will be used. No second SIAC may be used. If the contactless SPORTident punching is not working (no feedback signal), the competitor must use one of the backup systems: either the classical SPORTident direct punching mode or the pin punching.

Athletes should bring their own SIAC Card. Hired SIACs can be supplied. They need to be ordered in advance and will be given on Friday in the event center together with the bib numbers.

Hired SIACs must be handed in after the Long Distance race. A charge of CHF 80 will be made to a Nation for every SIAC not returned.

Start Lists

Provisional start lists will be available starting the week prior to the competition. Final start lists will be published online no later than 6 pm the night before the race.

Race bibs

There will be bib numbers for all three competitions. Bibs should not be folded or cut and must be worn on the chest. Without a bib you will not be handed a map at the map issue tent or you will not pass the pre-start.

Bibs will be in team bags to be collected on arrival in the Event centre Willisau for the relay (on Friday) and at the information desk in the competition centre Sörenberg for the Sprint and Long distance race (each on Saturday and Sunday).

Start time

Relay: Mass start. Listen to the commands of the start official. Start signal will be given through the start official. Early start leads to disqualification.

Sprint and long distance: No start gate will be used. The start beep and a visible start clock will indicate the countdown. The start beep starts at -5 seconds. The competitor is allowed to start only at 0 second. A start earlier than 0 seconds will result in disqualification.

Timeslot	Description
At the prestart	Call up by name - bib number check
-4 mins	Entry into pre-start - clear, check, SIAC ON test
-3 mins	Loose control description
-2 mins	Display of any essential or late Information
-1 mins	Start check SI-Card, stand by your course map at map box
-10 seconds	Take hold of corner of map
Zero	Go on long beep – timed start

The pre-start will be silent – competitors should make their way to the start and approach the start official when the pre-start clock shows your race time. Call up will be at -4. A final safety check will be done by the start team.

Descriptions will be printed on your map in all races and will be available loose, in the start lanes, for the Sprint and Long distances (no loose descriptions for the relay). They will not be available prior to the events.

Competitors who are late for their start time through their own fault will be timed as if they had started at their original start time or change-over time. Competitors who are late for their start time through the fault of the organizer will be timed from their new start time subject to a complaint or protest being upheld by the organizer or jury.

Finishing time

In all races, the finish time will be taken upon punching the finish unit.

For competition of leg 1 and 2 in the Relay the change-over times will be taken when punching at one of the SI units immediately before the map handover.

Results

It is foreseen to provide live results online via <https://www.o-results.ch> (only final times). A lot of this is dependent on mobile connectivity and cannot be guaranteed at the forest races.

GPS Tracking

GPS tracking services will be provided. GPS units will be given in each race to some competitors. GPS units will be handed out according to the instructions for the individual races. It is mandatory for these runners to carry the GPS device. If a runner refuses to carry the device he or she will be disqualified. GPS devices will be collected after each race during the read out-process of the SIAC Card.

Please take your own GPS-vest with you (hygienic reasons). The organizer provides GMP vests only in exceptional cases. They will be handed out to the competitor for the whole event in the quarantine of the Relay and must be handed in on Sunday after the long distance race. Missing GPS-vests will be charged with CHF 40.-/vest.

GPS-enabled devices (watches etc.) can be carried provided they are not used for communication or navigation.

There will be Live Tracking of the GPS signals during the relay and sprint race however not during the long distance run because of the parallel occurrence of the national competition (available from 2 pm).

Quarantine

There will be a quarantine area prior / during the Relay and Sprint race (Friday and Saturday) however none prior to the Long distance. We appeal to the fairness of all

participants, asking athletes starting early not to communicate information about the terrain and the running track to those starting later.

Arriving at the quarantine the competitors and team officials must sign the list before the quarantine check-in closes. No one will be allowed into the quarantine area after the dead-line.

Toilets are available.

Please be aware that the quarantine is only partly covered. No own team tents will be allowed at any of the quarantines.

Please be fair and remember the following important things:

- the use of mobile phones, computers or any communication device inside the quarantine is strictly forbidden
- it is not allowed to bring any maps into the quarantine zones

Protests

In the event of a protest please complete a Protest Form, available from enquiries, as soon as possible and before final results are published. Pass it to the JEC Day Organiser who will endeavour to resolve the issue as soon as possible. In the event of an appeal against the result of a protest then the race Jury (agreed at Thursday Team Leader meeting) will consider the appeal. A period of 20 minutes will be allowed from publishing the provisional race results until the final results are confirmed.

To avoid voiding any courses, if an issue is raised about a control we reserve the right to remove that control from the splits and the overall results.

Presentation Ceremonies

Relay, Sprint, Long distance and team ceremonies will be held as timetabled.

RULES AND GENERAL INFORMATIONS

Fairness

This competition is not an official IOF event but we would like to keep all the races as fair as possible. Please do not bring any old maps to the competition areas, do not show your map to runners who haven't started, do not use any communication devices at the pre-start/quarantine areas and do not go to the pre-start/quarantine areas after finishing your run. We expect Team Leaders and staff to police such things and ensure the competition is as fair as possible.

Categories

The Junior European Cup is open to national teams of competitors not older than 20 years of age on 31 December 2026.

Relay Classes: Women, Men (max 4 relay teams per nation in each class)

Sprint Classes: W18, M18, W20, M20 (max 6 competitors per nation in each class)

Long Distance: W18, M18, W20, M20 (max 6 competitors per nation in each class)

National Team Scoring

There will be a National Team score based on the results of all three competitions according to:

Relay: The highest placed team for each nation in each class will be counted and its position will be multiplied by 6.

Sprint & Long Distance: The two best results (positions) from each nation and class will be counted. If any nation fields one or no runner in any class then the non-existent starts will be counted by taking the maximum number of points (total number of starters in that class) + 1.

The National Team with the lowest sum after the three competitions will win the JEC Team competition.

Clothing

We insist on long clothing for Relay. Spiked or Dobb spikes are not allowed on Saturdays sprint.

Climate

Both sprint and long distance take place at an altitude of 1200 – 1600 m above sea level. At the time of the race there is the possibility of low temperatures and even snow.

First Aid

There will be basic first aid available on all days. Teams are also expected to carry their own first aid equipment.

Insurance

The organizers decline any liability that might occur through participation JEC 2026 events and trainings. Each person participates at her / his own risk and is responsible for her / his own insurance coverage (illness and accident).

The competition takes place in urban area, in wooded area and in alpine region. Local traffic will be limited but not completely forbidden. Vehicles of residents, or used for emergencies, public transportation, or taxis may drive in the streets. Competitors must pay attention at any time. The organizers decline any responsibility in case of an accident.

The long distance race leads through a recreational area which also consists of a downhill slope for Trotti. Special attention is required crossing the paved road.

Ticks

Athletes may well encounter ticks during the forest competitions. Please do an all-body check after your race and deal with them appropriately.

Team tents

At both competition sites (Willisau as well as Sörenberg) there is limited space and therefore no team tents are allowed. However, it is recommended to bring mobile folding chairs.

Team Officials Meeting

Each Team is expected to nominate a Team leader who shall be present at the team official meeting and be the main contact for the organizing staff.

The team officials meeting for all three competitions will be held online on Thursday, 1st October 2026, 19.30 via Microsoft Teams.

SPECIFIC RACE INFORMATION

JEC 2026 Relay, Friday 2nd October, Willisau Willbrig

Directions

See section 'Travel' of the Bulletin 3 including link to Google maps. Walking distance from the parking to the event center is 700 m / 30 m elevation gain, will be marked!

Overview of the Relay Arena

The arena is within a small grassy field, bounded by the competition area. There will be a spectator control adjacent to the arena.

There will be no space for team tents in the arena.

There will be two Toitot's prior to the map-handover tent in the change-over area.

Parking and Arrivals

All cars must be parked at the parking "Festhalle" in Willisau. Please follow the instructions of the car park attendants. The car park attendants will hand out the required number of parking tickets to the teams. These are also valid for the Sprint and Long Distance events. Please keep them safe.

Display your parking ticket clearly.

Warm up / cool down

The competition warm up area will be on the way from the Quarantine to the Relay Arena (500 m / 50 m elevation gain). Maps of the area and allowed path will be handed out at the Quarantine. Part of the route between Quarantine to the Relay Arena is operated as a one-way system between 13.45 and 14.20 (warm up route crosses warm down route).

Team declarations and race numbers

Each relay team will contain 3 coloured bib numbers and correspond to the leg order.

Leg 1: **Red**

Leg 2: **Green**

Leg 3: **Blue**

Any very late changes to relay teams must be submitted to the organisers by 11.30 am on the day of the race. Changes to teams can be made in the arena at the event center.

Map

Willbrig 1:10'000, 5m contours, drawn by Othmar Zemp, Beni Deppeler 2026. Surveyed by Hubert Klauser. Based on lidar data and previous maps of the area.

There will be a map flip.

Course data / Details of the terrain

Course data and details of the terrain will be given at the Team leader meeting on Thursday 1st October 2026

Starts

Men's Relay: Call Up 12.50, Start 13.00

Women's Relay: Call Up 13.00, Start 13.10

Map Issue

Maps for all legs will be issued at the map issue tent. Numbers must be worn. No bib, no map.

GPS Trackers

GPS Trackers will be issued at the event centre prior to entering the Quarantine.

Please allow plenty of time to get these fitted and collect your map before entering the changeover area.

GPS Trackers have to be handed back at the read-out tent after the finish line in the Relay Arena.

Relay and Handover Procedure

Call up for leg 1 runners will be at -10 minutes at which point runners will need to clear and check their SI-Air card. Leg 1 runners will be issued their maps and directed to their positions behind the start line. Runners will not be allowed to open their map until the start has been called.

Leg 1 Start will be on the forest track north of the arena. Runners will be called up 10 mins prior to the start and escorted to the track, about 50m away.

Incoming runners on legs 1 and 2 will punch SI units of the final control, continue to run to the handover area and touch their outgoing runner, then proceed to the read-out tent. Outgoing runners must NOT open their map until they have started.

Leg 2 and 3 runners must enter the change-over area in good time before their incoming runner arrives. They will need to clear and check their SI card as they enter. Incoming runners' numbers will not be called. Runners will be able to watch their teammates approaching from the final control from the change-over area.

Finish

Runners of all legs have the identical finish chute and punch the identical finish control. For last leg runners, finishing positions will be determined by order across the finish line which is just before the finish control. Please manually punch in finish order after crossing the finish line. There will be a marshal present to adjudicate on team positions.

Mini Mass start

If necessary, a mini mass start will happen at 14.30 for Men and Women combined.

Spectator Control

Both men's and women's courses pass close/through the arena to the spectator control, it is estimated that the time to the finish will be about 7 to 8 mins from the spectator control.

Prize Giving

JEC prize giving for the Relay will be held at 15.30 near the quarantine zone.

Other Forest Users

There will be other users of the forest area while the competition is taking place. Please be courteous to walkers, runners, cyclists and horse riders.

JEC 2026 Sprint, Saturday 3rd October, Sörenberg Dorf, Sörenberg

Directions

See section 'Travel' of the Bulletin 3 including link to Google maps. Parking is located directly next to the Event centre.

Embargo

The entire area of the village of Sörenberg northeast of the river 'Waldemme' is embargoed for the competition.

Exception: those who reside in Sörenberg at Schwyzerhüsli are allowed the direct access and departure to their accommodations. On Saturday the accommodation must be left by 10 am towards the Event centre.

Access by car to the Event centre is allowed along the main road 'Rothornstrasse' (see section 'Travel' of the Bulletin 3).

Parking and Arrivals

All cars must park at the parking at the Event centre. All parking permits handed out on Friday are valid and required.

Upon arrival at the car park, you will be provided with a map showing permitted routes for the 1 km way to the Quarantine (for athletes and team officials).

Quarantine

Quarantine is located at <https://s.geo.admin.ch/ik2t84px6c8p>.

There is no parking at Quarantine and no drop off. It is a 1 km walk from the parking / Event centre.

There are 4 Toitois in total.

We recognise this may be the first international event for some athletes, and therefore as background the purpose of quarantine is to ensure fairness by preventing knowledge of the race passing to athletes who have not yet started. Therefore, phones/other electronic devices may not be used in quarantine.

There is no return to quarantine after exit (i.e. once you have entered quarantine, you may not exit until you are ready to go to the start).

GPS Trackers

GPS Trackers will be issued at the Quarantine.

Please allow plenty of time to get these fitted and collect your map before entering the changeover area.

GPS Trackers have to be handed back at the read-out tent after the finish in the competition centre.

Pre-Start

On leaving quarantine, athletes will pick up a map showing the route to the pre-start and the additional toilets en-route.

Athletes may only leave quarantine to the pre-start after 11.00.

From quarantine, it will be up to 500 m / 30 m elevation gain to the pre-start area, and no more than a 10-minute jog. The precise distance will be shown to athletes on the map. Transfer of small packages / clothes from the Quarantine to the competition centre is offered, however not from the pre-start.

Once an athlete (or team manager) leaves quarantine to head to the Pre-Start, they are no longer permitted to return to quarantine.

Once team managers are finished supporting at the Pre-Start and ready to leave, they must speak to the start officials who will provide a further map showing the compulsory exit route to the Team Zone. Team managers may not return to quarantine or remain at the Pre-Start once they have collected this map.

There will be a clock at pre-start showing the call-up time.

It is the competitor's responsibility to reach call-up at the correct time.

Start

See further up this Bulletin for start arrangements.

No discussions or cheering are to take place at the start.

Finish

See further up this Bulletin for finish arrangements.

After finishing athletes will be provided with a separate cool down map showing permitted and forbidden areas. It will be permitted to return to the team zone / arena and car park. This will be shown on the warm down map.

Upon arrival at the Arena it is mandatory to read-out the SIAC unit.

Team Zone / Arena

Team zone is located at the Event centre / infopoint (competition centre of the parallel occurrence of the regional competition in the afternoon).

The team zone is all outdoors and includes infopoint, read-out, first-aid station, bag transfer reclaim, wardrobe tent, restaurant and toilets.

Map

Sörenberg Dorf, 1:4'000, 2 m contours, drawn by Beni Deppeler, surveyed by Hubert Klauser. New map based on lidar data.

Course data / Details of the terrain

Course data and details of the terrain will be given at the Team leader meeting on Thursday 1st October 2026

Safety

The terrain will NOT be traffic-free. Competitors are reminded to take care and that they are responsible for their own safety.

GPS Trackers

GPS Trackers will be issued at the Quarantine prior to entering.

Please allow plenty of time to get these fitted and collect your map before entering the changeover area.

Prize Giving

JEC prizegiving for the Sprint will be held on Saturday in Sörenberg at 14.00 near the event centre of the Sprint.

JEC 2026 Long Distance, Sunday 4th October, Sörenberg Rossweid

Directions

See section 'Travel' of the Bulletin 3 including link to Google maps. Parking is located directly next to the Event centre.

Embargo

The entire area of the village of Sörenberg southwest of the river 'Waldemme' up to 'Schwarzeneggchnubel-Hundschnubel' is embargoed for the competition, with the exception of the pathway from the parking along the river 'Waldemme' to the base station of the mountain railway 'Rossweid'.

Access by car to the event centre is allowed along the main road 'Rothornstrasse' (see section 'Travel' of the Bulletin 3).

Parking and Arrivals

All cars must park at the parking at the Event centre. All parking permits handed out on Friday are valid and required.

Upon arrival at the car park, you will be provided with a map showing permitted routes for the way towards the start (for athletes and team officials).

Quarantine

Because approximately one hour must be allowed for the journey to the start, as well as a running time of about one hour, a quarantine will not be established.

It is appealed to the fairness of the participants that early starters do not pass on information about the terrain, course conditions, etc., to late starters via team officials.

GPS Trackers

GPS Trackers will be issued at the infopoint in the competition centre.

Please allow plenty of time to get these fitted and collect your map before entering the changeover area.

GPS Trackers have to be handed back at the read-out tent after the finish in the competition centre.

Pre-Start

From parking / event centre, it will be 1 km to the base station of the mountain railway 'Rossweid', a 15 min railway-ride to the mountain station and again approx. 1 km / 60 m elevation gain to the pre-start.

Please allow for some waiting time at the base station of the railway (depending on weather and tourist influx). Competitors enter the base station through a separate entrance, your SI-card counts as ticket. Dobb spikes are allowed in the gondola.

There will be toilets at the mountain station of the railway, however none at the pre-start.

There will be a clock at pre-start showing the call-up time.

It is the competitor's responsibility to reach call-up at the correct time.

There will be clothing transport from the mountain station of the railway back to the event centre. There won't be any clothing transport from the pre-start.

Start

See further up this Bulletin for start arrangements.

No discussions or cheering are to take place at the start.

Finish

After finishing athletes will be permitted to return to the team zone / arena and car park. There won't be any warm down maps.

Upon arrival at the Arena it is mandatory to read-out the SIAC unit.

Team Zone / Arena

Team zone is located at the event centre / infopoint.

The team zone is all outdoors and includes infopoint, read-out, first-aid station, bag transfer reclaim, wardrobe tent, restaurant and toilets (10+ cubicles plus urinals).

Map

Rossweid, 1:15'000, 5 m contours, drawn by Beni Deppeler, surveyed by Hubert Klauser. New map based on lidar data.

Course data / Details of the terrain

Course data and details of the terrain will be given at the Team leader meeting on Thursday 1st October 2026

Safety

A goods access road runs through the hiking area. This is used by alpine farmers, for transporting clothing, and by scooter riders (scooters are available for hire from the mountain railways). Please be careful..

Other orienteers at the start and in the terrain

The start will be shared with competitors competing in the Swiss National Race. There are separate start lanes for JEC runners. Please be courteous. There will be runners of the several categories in the terrain at the same time as JEC runners.

Prize Giving

JEC prize giving for the Long distance and for the Nation Team Scoring will be held on Sunday in Sörenberg at 14.00 near the event centre.
